Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Book Condition: New. Reissue. 173 x 104 mm. Language: English . Brand New Book. Dark forces are at work within the realms of earth and sky, and a savage new dance of life and death is about to begin.the internationally acclaimed saga of the First Americans continues in this long-awaited novel from bestseller William Sarabande. As the Ice Age draws to a close, the men and women living on the northeast coast of the North American continent struggle to adapt to their rapidly changing environment. Ancient cultures clash as warriors battle for vital hunting territories. When a mammoth is seen in a forest, the shaman, who is also brother to the headman, conjures wondrous and terrifying visions for his imperiled band as he goads them to hunt a beast that may be the last of its kind. Although an ancient legend promises death for the People on the day that the last mammoth dies, the shaman counters with a legendary promise of his own--that those who dare hunt, kill, and consume the flesh of the mammoth will be made invincible in battle. The hunt is successful but the headman is killed--and the shaman comes to power and takes possession of his brother s woman and daughter. Although he has no suspicion of his uncle s treachery, the eldest son of the former headman must live with the fear of the charging mammoth that caused him to feign injury rather than risk his own life to save his father s. Now, as the last mammoth walks the land, a young warrior who has lost nearly everything to his enemies must learn new ways, or die in a world where men, women, and even children dare not be less than heroes.
