THE ARCTIC IN QUESTION,

To save **The Arctic in Question**, eBook, remember to follow the button under and download the document or have accessibility to additional information that are highly relevant to THE ARCTIC IN QUESTION, ebook.

Oxford University Press,, Toronto, ON., 1976. Soft Cover/Good/Card. Book Condition: Very Good/No Marks. 1st Edition. This is a very good copy--aside from a former owner's signature, a very small turn at the top cover corner and some type of small stain (glue?) on the front cover, the interiors including the fold-out map of the Arctic and the group photo Captain Bernier claiming all the Arctic Islands for Canada, are all in great condition. A series of 10 essays but such notables as: John W. Langford, F. Griffiths, P. C. Dobell, John Gellner, Thomas A. Hockin. R. B. Byers and others. A fine collection of essays on the politics and the resources of Canada's Arctic.
