AND TECHNIQUES FOR MARKET RESEARCHERS

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, The Handbook of Online and Social Media Research: Tools and Techniques for Market Researchers, Ray R. Poynter, Drawing together the new techniques available to the market researcher into a single reference, The Handbook of Online and Social Media Research explores how these innovations are being used by the leaders in the field. This groundbreaking reference examines why traditional research is broken, both in theory and practice, and includes chapters on online research communities, community panels, blog mining, social networks, mobile research, e-ethnography, predictive markets, and DIY research."This handbook fills a significant learning gap for the market research profession and Ray Poynter has once again proven that he is a guiding light. The practical and pragmatic advice contained within these pages will be relevant to new students of research, young researchers and experienced researchers that want to understand the basics of online and social media research. Ray's views on 'how to be better with people' and 'how to maximise response rates' are vital clues that are likely to shape the future of market and social research."Peter Harris, National President, Australian Market and Social Research Society (AMSRS). "It's hard to imagine anyone better suited to covering the rapidly changing world of online research than Ray Poynter. In this book he shows us why. Whether you are new to online or a veteran interested in broadening your understanding of the full range of techniques-quant and qual-this book is for you."Reg Baker, President and Chief Operating Officer, Market Strategies International "Finally, a comprehensive handbook for practitioners, clients, suppliers and students that includes best practices, clear explanations, advice and cautionary warnings. This should be the research benchmark for online research for some time. Poynter proves he is the online market research guru."Cam Davis, Ph.D.,...
