

The Bohemian Girl

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

FABER FABER, United Kingdom, 2015. Paperback. Book Condition: New. 216 x 135 mm. Language: English Brand New Book ***** Print on Demand *****.The Bohemian Girl (1988), Frances Vernon's fourth novel, transports us to 1890s London to meet the young Diana Blenthams, whom Vernon first introduced to readers - as a celebrated grande horizontale - in the opening pages of her 1982 debut Privileged Children. Diana fears that the lot of an intelligent woman is to simply be married and never again open a book. Her father wonders - not incorrectly - if Diana's brains may lead her to some grave lapse in good behaviour. So it comes to pass one day when, riding on her bicycle in Battersea Park, she knocks over a handsome Irish painter. A pretty, witty little parable about Victorian values, and the hazards of being female and intelligent in a country as sexist and anti-intellectual as the United Kingdom. This romance has teeth. It bites the eternal issues of class, and sex, and freedom. (Philip Howard, The Times).
