

Nursing: Transition to Professional Practice

By Rob Burton, Graham Ormrod

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Nursing: Transition to Professional Practice, Rob Burton, Graham Ormrod, To successfully complete the transition from being a final year pre-reg nursing student to becoming a qualified staff nurse, students need to understand and practise the responsibilities and roles of the registered nurse. Consequently, they need a textbook which goes further than simply outlining the theory of leadership and management and teamwork and gives more than just 'tips' for being in charge. Nursing: transition to professional practice has been developed as a one-stop-shop for the principles of professional practice and the skills of the qualified nurse. Taking a logical approach, the authors introduce the role of the qualified nurse before explaining what it means to be in charge, how to deliver good care, how to make legal and ethical decisions, and the best ways to work with and teach other staff. Theory is applied to clinical work so readers can easily see the rationale behind daily decisions. Useful for the entire final year, the content is mapped against the transitional module and extremely useful for final year placements as well as providing tips on getting a job and continuing professional development. Written...
