iUniverse, United States, 2005. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Many high school and university students find foreign language classes difficult. Although learning a language is a natural process, students study languages inefficiently and they lack effective strategies for language learning. Foreign Language Made Easy is designed to make studying a foreign language an easy and enjoyable experience. The best techniques for foreign language success are explained in a simple format that anyone can follow. Effective techniques for note taking specifically designed for the foreign language classroom are addressed, as are successful methods to learn grammatical structures and effectively increase vocabulary. The last sections of Foreign Language Made Easy are language-specific, and include the most common languages taught in the United States, such as Latin, Spanish, Italian, French, Portuguese, German, Japanese, and Chinese. Common errors are explained, and simple techniques are presented that will help students to succeed. Everyone can learn a foreign language. By following the suggestions presented in this text, even students that previously found learning a foreign language difficult will meet with success.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
