Hodder Education. Paperback. Book Condition: new. BRAND NEW, Caribbean Challenges, Mark Wilson, S. Ali, C. Costelloe, B. Jenkins, This course aims to develop students' geographical skills and knowledge at lower-secondary level, in preparation for their future CXC studies. The two books from Longman Caribbean Geography: The Caribbean and beyond and Caribbean Challenges can be used in any of years one, two or three of the lower secondary school. Key features include: \* Units that give an overview of the social, economic, physical and environmental geography of the Caribbean in a global context, covering recent events and developments in the field. \* Investigations of other areas of the world, such as South Africa and India, provide contrast. \* Questions and activities provide practice in skills such as interpreting and evaluating data, atlas work, making comparisons, research and field work, critiquing and debating. \* A revision section, which provides ready material for extra exercises or for assessment puposes. \* A highly-illustrated, modern design that will appeal to the age-group, and which carefully integrates the illustrations with the text and exercises.
