Pan Macmillan, Sydney, 2008. Medium Trade Paperback. Book Condition: New. 269 pages. Multiple copies of this title available. "It was in the Metro section of the Saturday paper - one of those 'what people are wearing in the street'-type segments, featuring a photo of the person and a paragraph underneath describing what she (it was always a girl) had chosen to put on that day. There I was, Alice Macbean, looking like the typical uni student. Fair hair springing around my face, sunnies stretched across wide cheekbones, smiling my having-a-good time smile for the camera. Except it wasn't me." Alice thinks she's got it pretty good. Other than her first year at uni being a bit stressful, her boyfriend Dunc being a bit difficult, and her best friend Milly being a bit impulsive, she can't complain. But when an unfamiliar picture of herself appears in the paper, everything starts to change. Soon, Alice is under a spotlight mistaken for the strangely named Wilda. Every time she tries to set the record straight, she gets sidetracked - especially when the charming and funny Andy is around. Just who and where is the mysterious Wilda? But, more importantly, if she finds her doppelganger, will Alice learn a lot more about herself than she is willing to know? Quantity Available: 10.
