What Money Can't Buy: The Moral Limits of Markets

Filesize: 8.35 MB

Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.

(Prof. Corbin Hilll)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, What Money Can't Buy: The Moral Limits of Markets, Michael Sandel, "What Money Can't Buy" is the Top Ten "Sunday Times" Bestseller from 'the superstar philosopher', Michael Sandel. Should we financially reward children for good marks? Is it ethical to pay people to donate organs? What about hiring mercenaries to fight our wars, outsourcing inmates to for-profit prisons or selling citizenship? In recent decades, market values have impinged on almost every aspect of life - medicine, education, government, law, even family life. We have drifted from having a market economy to being a market society. In "What Money Can't Buy" Michael Sandel asks: Isn't there something wrong with a world in which everything is for sale? And how do we protect the things that really matter? "Brilliant, easily readable, beautifully delivered and often funny .an indispensable book". (David Aaronovitch, "The Times"). "In a culture mesmerised by the market, Sandel's is the indispensable voice of reason". (John Gray, "New Statesman"). "Provocative and intellectually suggestive .little less than a wake-up call". (Rowan Williams, "Prospect"). "A star philosopher .entertaining and provocative". (Diane Coyle, "Independent"). "Let's hope that "What Money Can't Buy", by being so patient and accumulative in its argument and examples, marks a permanent shift in these debates". (John Lanchester, "Guardian"). Michael J. Sandel is the Anne T. and Robert M. Bass Professor of Government at Harvard University. His legendary 'Justice' course is the first Harvard course made freely available online and on television. His work has been translated into 15 languages and been the subject of television series in the U.K., the U.S., Japan, South Korea, Sweden, and the Middle East. He has delivered the Tanner Lectures at Oxford and been a visiting professor at the Sorbonne, Paris. In 2010, "China Newsweek"...
