Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Maybe you've tried to use positive statements and self-visualization techniques to find the happiness and sense of purpose that have been eluding you. But if your subconscious beliefs are chained to a feeling of not being good enough, then your subconscious is defeating everything you are trying to achieve with your conscious mind. However, there is hope in *Angels, Show Me the Way*. Judy Lekic, in her own journey from childhood pain through the doubts and fears of adulthood, finally realized that she would not find fulfillment until she shook off past wounds and outdated beliefs and patterns. Now, in this groundbreaking exploration of how we view ourselves and our lives, this spiritual counselor and national lecturer recounts her journey and shares the discoveries that transformed her. You will learn how to identify the negative patterns and self-sabotaging behaviors that are keeping you from your dreams, how to escape the loop of negative dramas, and how to heal and move on from seemingly inescapable chaos to a sense of permanent peace and order. *Angels, Show Me the Way* fills in what *The Secret* left out, showing you the way to techniques you can use right away to finally achieve success, love, and happiness that endures.
