Little, Brown Company, United States, 2005. Hardback. Book Condition: New. 206 x 142 mm. Language: English . Brand New Book. What experiences will you remember most of all? And what do you have left to do? These are the questions asked in 2DO BEFORE I DIE: The Do-It Yourself Guide To The Rest Of Your Life. Fresh, hip and visually rich, the book features over 70 true first-person stories sent in from around the world to the authors' website that recount particularly memorable moments and experiences in people's own lives. These range from small-scale recollections (Grow a beard, Have a penpal, Learn to swim) to more ambitious tales (Open a restaurant, Backpack around India, Record an album). And (thank God) there's not a swim with dolphins story in sight! In fact, this is the antidote to all those wacky manuals and reference guides that make you feel bad about not spending the day bungee-jumping. At turns thought-provoking and entertaining, 2DO BEFORE I DIE is an unusually inventive, inspiring, hands-on guide for recent graduates, career-changers, first-time parents, and soon-to-be retirees - in fact, it's perfect for anyone who may be wondering what's next? .
