## Groups St Andrews 2005 Volume 2 London Mathematical Society Lecture Note Series

Filesize: 1.18 MB

### ***Reviews***

*An incredibly great book with perfect and lucid reasons. It really is written in straightforward words instead of confusing. I am just very easily could get a delight of reading through a written pdf.*

### SOCIETY LECTURE NOTE SERIES

Cambridge University Press. Paperback. Book Condition: New. Paperback. 350 pages. Dimensions: 8.8in. x 5.9in. x 0.9in. Groups St Andrews 2005 was held in the University of St Andrews in August 2005 and this second volume of a two-volume book contains selected papers from the international conference. Four main lecture courses were given at the conference, and articles based on their lectures form a substantial part of the Proceedings. This volume contains the contributions by John Meakin (Lincoln, Nebraska) and kos Seress (Ohio State). Apart from the main speakers, refereed survey and research articles were contributed by other conference participants. Arranged in alphabetical order, these articles cover a wide spectrum of modern group theory. The regular Proceedings of Groups St Andrews conferences have provided snapshots of the state of research in group theory throughout the past 25 years. Earlier volumes have had a major impact on the development of group theory and it is anticipated that this volume will be equally important. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
