THE USES OF LITERACY: ASPECTS OF WORKING-CLASS LIFE

DOWNLOAD

Penguin Books Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. When a society becomes more affluent, does it lose other values? Are the skills that education and literacy gave millions wasted on consuming pop culture? Do the media coerce us into a world of the superficial and the material - or can they be a force for good? When Richard Hoggart asked these questions in his 1957 book *The Uses of Literacy*, Britain was undergoing huge social change, yet his landmark work has lost none of its pertinence and power today. Hoggart gives a fascinating insight into the close-knit values of Northern England's vanishing working-class communities, and weaves this together with his views on the arrival of a new, homogenous mass US-influenced culture. His headline-grabbing bestseller opened up a whole new area of cultural study and remains essential reading, both as a historical document, and as a commentary on class, poverty and the media.
