FAITHFUL: A THEOLOGY OF SEX

Zondervan. Paperback. Book Condition: new. BRAND NEW, Faithful: A Theology of Sex, Beth Felker Jones, Gene L. Green, Many believers accept traditional Christian sexual morality but have very little idea why it matters for the Christian life. In Faithful, author Beth Felker Jones sketches a theology of sexuality that demonstrates sex is not about legalistic morals with no basis in reality but rather about the God who is faithful to us. In Hosea 2:19-20 God says to Israel, "I will take you for my wife forever; I will take you for my wife in righteousness and in justice, in steadfast love, and in mercy. I will take you for my wife in faithfulness; and you shall know the Lord." This short book explores the goodness of sexuality as created and redeemed, and it suggests ways to navigate the difficulties of living in a world in which sexuality, like everything else, suffers the effects of the fall. As part of Zondervan's Ordinary Theology series, Faithful takes a deeper look at a subject Christians talk about often but not always thoughtfully. This short, insightful reflection explores the deeper significance of the body and sexuality.
