Oxford University Press Inc, United States, 1996. Paperback. Book Condition: New. New.. 229 x 191 mm. Language: English Brand New Book ***** Print on Demand *****.What should you do when your three-year old Sesame-Street afficianado suddenly announces that he wants to study the violin? Or when your seven-year old informs you that he does not want the shiny new red bicycle you just bought him for his birthday, nor the spiffy new box of high-tech paints, but really wants to have piano lessons-today? What should you say when your ten-year old shouts that she hates that nasty new \$1500 violin you just invested in, hates violin period, and is never going to practice again? Are there any software packages that can teach that teen-age Jimi Hendrix rehearsing in the garage next door how to read music? How should you answer the bewildered parent whose little girl wants to study the tuba and can take it for free at school? These and many other commonly asked and often puzzling questions are answered in *Sound Choices: Guiding Your Child s Musical Experiences* . This invaluable resource empowers over-busy, frequently harried, and technically- savvy twenty-first century parents to be consumer-wise participants in the music education of their children. Written by nationally recognized music educators who have been asked-and have answered-all these questions thousands of times, this user-friendly book offers information and practical advice about a large and varied number of issues in an accessible format that will enable parents to make informed decisions about music experiences and training for their children. Beginning with an ages and stages organization from infancy to adolescence, *Sound Choices* offers concise, age-specific information on musical experiences from generating interest to motivating practice and life-long enjoyment. Subsequent chapters provide detailed suggestions for choosing an instrument, finding a qualified teacher,...
