Pink and Blue: Telling the Boys from the Girls in America

By Jo Barraclough Paoletti

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Pink and Blue: Telling the Boys from the Girls in America, Jo Barraclough Paoletti, Jo B. Paoletti's journey through the history of children's clothing began when she posed the question, "When did we start dressing girls in pink and boys in blue?" To uncover the answer, she looks at advertising, catalogues, dolls, baby books, mommy blogs and discussion forums, and other popular media to examine the surprising shifts in attitudes toward colour as a mark of gender in American children's clothing. She chronicles the decline of the white dress for both boys and girls, the introduction of rompers in the early 20th century, the gendering of pink and blue, the resurgence of unisex fashions, and the origins of today's highly gender-specific baby and toddler clothing.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
