

The Folklore of Discworld

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Folklore of Discworld, Jacqueline Simpson, Terry Pratchett, Now updated to include material on the Discworld books up to Raising Steam. Most of us grow up having always known to touch wood or cross our fingers, and what happens when a princess kisses a frog or a boy pulls a sword from a stone, yet sadly some of these things are now beginning to be forgotten. Legends, myths, fairytales: our world is made up of the stories we told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings which on Earth are creatures of the imagination - like vampires, trolls, witches and, possibly, gods - are real, alive and in some cases kicking on the Disc. In The Folklore of Discworld, Terry Pratchett teams up with leading British folklorist Jacqueline Simpson to take an irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated and affectionately labelled in the uniquely imaginative universe of Discworld.
