Transworld Publishers Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 190 x 126 mm. Language: English . Brand New Book. Assistant D.A. Alexa Hamilton has just been handed the kind of case that makes careers: the trial of accused serial killer Luke Quentin. Sifting through mountains of forensic evidence, Alexa relentlessly builds her case and prepares for a high-stakes trial .until threatening letters throw her private life into turmoil. The letters are addressed to Alexa s beautiful 17-year-old daughter, Savannah, who Alexa has raised alone since her painful divorce years before. Alexa is certain that Quentin is behind the letters - and that they are too dangerous to ignore. Suddenly Alexa must make the toughest choice of all - and send her daughter back to the very place that Alexa swore she would never return: to her ex-husband s world of southern tradition, long memories, and the antebellum charm of Charleston. While Alexa s trial builds to a climax in New York, her daughter is settling into southern life, discovering a part of her family history she s never known. As a family s wounds are exposed and the healing begins, Alexa and Savannah, after a season in different worlds, will come together again - strengthened by the trials they have faced, changed by the mysteries they have unraveled, armed with miracles that are uniquely their own.
