Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Walden Pond Press. 1 Paperback(s), 2012. soft. Book Condition: New. Along the Arctic Circle lies a small island called Neversink, home to a peaceful colony of odd-looking seabirds called auks, including Lockley J. Puffin. With their plentiful supply of fish, the auks have few concerns except perhaps for antics of Lockley's two best friends, a know-it-all walrus named Egbert and a sharp-tongued hummingbird named Ruby. But all of this is about to change. There is a famine on the mainland of Tytonia, and the king of the Owl Parliament has long had his scheming eyes on the small colony to the north. Barry Wolverton weaves elements of Scandinavian folklore into this tale for readers 8 to 12."[The book] reads with the epic ambition of *Watership Down*, but with laughs. The mythos the author has created is both logical and lovely. An intelligent, entertaining fantasy with snappy dialogue and well-developed characters, all designed to keep readers engaged to the final, satisfying page." Booklist 287.
