Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home with English (7-9), John Jackman, At Home With English is a fun activity workbook for children, aged 7-9 years, to do at home. Using different themes and a variety of progressive tasks such as filling in missing letters and words, copying, and building sentences and descriptions, children learn about vowels, different word endings and beginnings, blending letters together, and how to write creatively. The full colour illustrations and highlighted words encourage development of literacy skills in a fun and easy way. The illustrated step-by-step activities are age-appropriate for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build confidence in writing at primary school.
