SUMMARY - Theo Angelis definitely puts the "hot" in "hotshot lawyer." Or at least, that's attorney Sadie Oliver's opinion. Even a simple handshake has her weak in the knees. If only there was time to explore the barely contained chemistry simmering between them. But there isn't. Because Sadie desperately needs Theo's help. Her brother lies in hospital facing a murder charge, and their sister is missing. And even Sadie herself is being followed by unsavory looking characters. But Sadie's not about to take it lying down (unless Theo asks, of course). Her solution? To play an active role in the case, disguised as a law student. To anyone looking, Sadie will simply be another of Theo's male interns. But the heat in Theo's eyes never lets her forget she's all woman.

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Brennan Koelpin**

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
