FINE FEATHERED FRIENDS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Fine Feathered Friends, Tish Rabe, Aristides Ruiz, "A bird gets its name from the simplest things - what it does, how it looks, or the song that it sings." And so Dr. Seuss' famous Cat in the Hat introduces young readers to the amazing world of birds. This title and others form part of a series of books that takes an off-beat look at nature and natural sciences through a fun combination of Seussian rhymes and zany illustrations. Aimed at early readers - from four to seven year olds - the books are designed to bridge the gap between concept books written for preschoolers and more formal non fiction titles that require fluent reading skills. By presenting the facts in a lively and rhythmic manner, they provide the critical foundation upon which complex facts and ideas can eventually be built.
