By Terry Pratchett

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Fifth Elephant: (Discworld Novel 24), Terry Pratchett, They say that diplomacy is a gentle art. That mastering it is a lifetime's work. But you do need a certain inclination in that direction. It's not something you can just pick up on the job. A few days ago Sam Vimes was a copper - an important copper, true - chief of police - but still, at his core, a policeman. But today he is an ambassador - to the mysterious, fat-rich country of Uberwald. Today, Sam Vimes is also a man on the run. He has nothing but his native wit and the gloomy trousers of Uncle Vanya (don't ask). It's snowing. It's freezing. And if he can't make it through the forest to civilization there's going to be a terrible war. There are monsters on his trail. They're bright. They're fast. They're werewolves - and they're catching up.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
