Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DALI: 16 ART STICKERS

Dover Publications Inc., United States, 2000. Paperback. Book Condition: New. 140 x 102 mm. Language: English . Brand New Book. Turning away from the powerful Cubist influence of fellow painter Pablo Picasso, Salvador Dali incorporated the hallucinatory qualities of Surrealism in his paintings and went on to become one of the 20th century s most famous artists. The melting clocks in his Persistence of Memory are among the most recognizable images in modern art. That well-known work appears here in sticker format along with 15 other scrupulously reproduced works by the Spanish artist, among them The Visage of War, Figure at a Window, The Enigma of Desire, and Surrealist Poster.
